POLICY STATEMENT 5

Subject: CNA Specialty Certification Exam Award

Last Reviewed: August 2014

POLICY

Practising CRNM Members who have successfully completed a CNA specialty exam may apply for this award. The total amount awarded to this category will be determined annually by the FRNM Board. Other internationally recognized certifications may be considered. Applicants who have completed international certificates are encouraged to provide supplementary descriptive documentation from the organization to support your application.

APPLICATION OF POLICY

Applications will be received up to May 1 of each year.

The FRNM will present this award within three months of the deadline date.

SELECTION CRITERIA

1. Successful completion of a CNA Specialty Exam or international specialty certification exam within the previous 12 months.
2. Currently employed in nursing in Manitoba.
3. Resident of Manitoba
4. Financial assistance from other sources.
5. Other specialty exams will be reviewed. The CNRE exam does not qualify for this award.

RECIPIENTS' OBLIGATIONS

1. Submit to the FRNM proof of successful completion of the exam
2. Submit to the FRNM proof of employment in nursing in Manitoba.
3. Submit to the FRNM proof of being registered by CRNM.
4. Submit to the FRNM amount and source of other funding.
